No. 11.

Conversion of the Female Dispensary at Tarikere into a Maternity Hospital.

Mr. T. Syed Khaja Peeran Saheb, Muslim Association, Tarikere.

Summary of Representation.

The present Dispensary for women and children at Tarikere may be converted into a Maternity Hospital, as Tarikere ranks first in the district in respect of population, besides being a commercial place centrally situated and being also otherwise important.

The Dispensary in question was opened in February 1919 the recurring charge being as usual met from the funds of the Dt. Board and the Mc. Council And the pay of the Lady Apothecary & cost of Europe medicines from Govt. The conversion of the Dispensary into a Maternity means additional cost. The question may receive consideration if the local bodies are agreeable to meet their share of the cost.

I believe that the old Central Building was constructed and both all are entitled to the sale realisation of the same.

The D L Board of the Kadma D L has not expressed its willingness to contribute its 1/3 share of the cost of the new building. Information on the above two points are perhaps necessary before plans and estimates can be got prepared.

According to the rules on the subject the cost of building will have to be met equally by Govt, D L B & Municipal Council.

It is not also stated whether the site on which the new building is proposed to be constructed, is municipal or Govt land or whether

Sir,

With reference to your letter No. L. 5862-Med.46-22-2, dated, 16th February 1923, regarding the conversion of the Female Dispensary at Tarikere into a Maternity, I have the honour to state that, the scheme of having combined medical institutions at all important District and Taluk Head Quarters having been sanctioned by Government in No. L. 6652-61 Med.120-21-3 dated 12th May 1922, Tarikere, had to be included in the list of stations, requiring a combined male and female dispensary with maternity ward attached, especially as the existing buildings, in which the male and the female dispensaries were located, were entirely unsuited for the purpose.

The enclosed copy of letter No. L. B. 35/22-23, dated 17th October 1924, from the President of the Kadur District Board, will show that the selection of a suitable site presented certain practical difficulties. With a view to arrive at a definite conclusion, I arranged for a personal discussion of the question on the spot with the Deputy Commissioner (President of the District Board,) and the President and Members of the Tarikere Municipal Council and met these gentlemen at Tarikere on the 31st October 1924, by appointment. The conclusion arrived at was that it was absolutely necessary to have new buildings on approved designs constructed for a combined male and female dispensary with maternity ward attached. We went and inspected the available sites and the site behind the present

present Taluk Office.has been selected as the best.

The President of the District Board and the President of the Tarikere Municipal Council have promised to take necessary further action in the respective Board meetings. They will be addressed and on receipt of their final views in definite form, further report will be submitted to Government in the matter.

I have the honour to be,

Asn

Letter No. L. B. 35 dated 18th October 1924 from the Presient, District Board, Chickmagalur, to the Senior Surgeon in Mysore, Bangalore.

---

With reference to aorrespondence ending with your letter No. G.C. 377-36 of 21-22, dated 21st May 1924, addressed to the President, of the Tarikere Municipal Council, regarding the selection of a site for the construction of a combined dispensary at Tarikere, I have the honour to forward herewith for your information copies of the marginally* noted correspondence between this office and the Tarikere Municipal Council. Besides the site preferred by you in front of the market two other sites were considered. And in view of the large amount of cost involved in putting up separate building for the combined dispensary, the Tarikere Municipal Council have now resolved that this idea may be dropped. It only now remains to consider the proposal of converting the existing female dispensary into a Maternity and properly equip the male dispensary.

In view of the various shades of opinion expressed by the Tarikere Municipal Council at different stages, I would suggest that the Senior Surgeon may kindly pay a visit to Tarikere and advise a practicable solution of the problem. There is absolutely no doubt that both the Male and Female Dispensaries required to be developed so as to meet the needs of the locality and very early action is desirable to achieve the end in view.

I shall be very glad to be present at Tarikere during the Senior Surgeon's visit.

---

Letter No. 35 L.B. 22-23 dated 13th July 1924 from the President, District Board, Kadur, addressed to the Presient, Tarikere Municipal Council.

---

In reply to your Memo No. 803 dated 25th May 1924 regarding the site for the construction of the combined dispensary at Tarikere, I have the honour to inform you that in view of the probibitive cost of acquisition of the land by the side of the Sub Division Officer's quarters, it is desirable to put up the building in the land and which belongs to Government when the Barr Lines will have to be shifted to the site behind the Post Office which is vacant and

and in private holding the cost of acquiring which will not exceed a few hundred rupees.

Necessary steps may therefore be taken to have this land valued with a view to acquiring it and the same tranmitted to this office with the sketch showing the necesssry details and also the mahazar etc., in support of the valuation of the land.

As the question has to be pushed through without delay the records may be kindly completed and forwarded to this office very early for further action. Extract of my tour notes on the subject is also enclosed for your information.

With reference to your letter No. L. B. 35-22-23 dated 17th July 1924, intimating that it is desirable to construct the combined dispensary at Tarikere in the land belonging to Government when Barr lines will have to be shifted to the site behind the Post Office and in private holding, and requesting me to take necessary steps to have the land valued for the acquisition of the same and forward the records for further action, I have the honour to state that when the 2nd Member of Council had visited the place recently, he in the course of his Town inspection in company with the Deputy Commissioner, Executive Engineer, President and the Municipal Councillors, observed unofficially that it was not very advantageous to spend the money on a mere building and that the same money could be utilised for the improvement of the existing Hospital equipment and medicines, when this question was brought up for discussion before the Municipal Council at their meeting convened on 22nd August 1924, the Municipal Councillors have expressed their opinion accordingly. A copy of the resolution passed by the Municipal Council in this matter is herein enclosed, for favour of information.

Under these circumstances, I therefore request the favour of further proposals and instructions in the matter.

LOCAL SELF GOVT.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments,
Bangalore.

Sir,

Ans 46-22-49

In continuation of my letter No. G. C. 377-51, dated 24th March 1925, regarding the construction of a new building for the combined mal and female dispensary at Tarikere, I have the honour to state that, du ing my visit to the place in October last, all available sites in the Town were inspected by me in company with the Deputy Commissioner and President of the District Board and the President and some of the Me of the Tarikere Municipal Council and the site behind the Taluk Offi was unanimously selected as the best for constructing the combined d pensary and Maternity. This was formally approved by the Municipal C cil at a meeting held on 18th January 1925, as per their Resolution, copy of which is enclosed.

When the question went up to the District Board, that body sugg that the building might be constructed on the site of the present M khan which would be dismantled and invited the opinion of the Munic Council. The latter has upheld its former resolution on the ground tha the Musaferkhana site is unsuited, as it is low lying and just opposite to the Shandy place and that the one already selected (behind the Taluk Office) is the best. Copy of the Council's Resolution at the meeting held on 5th April 1925 is also enclosed.

The President of theDistrict Board having again been requested to communicate the final decision of the Board, has intimated, in his lette No. L. B. 35 of 22-23, dated 25th June 1925, (copy enclosed) that the District Board at their meeting held on the 23rd June 1925, have agreed

agreed to the site selected by the Municipal Council.

I request that Government may be pleased to sanction the construction of the building on the site behind the Taluk Office as proposed by the Municipal and the District Boards, and to request the Chief Engineer to have necessary plan and estimate prepared at an early date.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

Extract from the Resolution passed at the General Meeting of the Tarikere Municipal Council held on 18th January 1925.

---

Senior Surgeon's letter No. G.C.377/21-22,dated 2nd December 1924 intimating to send the final resolution of the Municipal Council approving the site for the construction of a new combined dispensary together with a plan of site.

Resolution.

Resolved that the site selected by the Deputy Commissioner and the SeniorSurgeon behind theTaluk Office be approved and that the Municipal Council is agreeable to pay its one third share of contribution to the cost of the new building that will be necessary over the sale realisations of the present dispensary.

Council approves the construction of a combined dispensary at Tarikere.

Sir,

With reference to your letter No. L. 790/Med. 46-22-11 dated 5-8-1925 calling for the information on certain points in the matter of the construction of a new building for the combined Dispensary for men and women at Tarikere, I have the honour to state that the present dispensary building is reported to have been constructed in 1873-74 at a cost of Rs. 4,680/- for a school entirely out of State Funds and the Executive Engineer in his letter No. 466 dated 23-8-1925 states that the Government are entiled to the whole amount that may be realized if it were to be sold now, and further suggests that the building be converted into living quarters either for the Medical Officer in charge of the Dispensary or for the Amildar of the Taluk as residential quarters are not provided for either of them at present.

As for the ~~construction~~ Contribution of 1/3rd share of the cost of the construction of the new Dispensary building payable by the Distric Board they have unanimously resolved to pay their quota as per the resolution enclosed herein.

With regard to the site on which the building is proposed to be built, the President of the Tarikere Municipal Council intimates in his No. 290 dated 12-9-1925 that it does not belong to any private person, and further states that the required exten of land will be given free of any cost for the purpose should it

it happen to be a Municipal one. He has promised to make a further report in due course as to the ownership of the land whether whether it belongs to the Municipality or to Government.

On receipt of his report a further communication will be made to Government in the matter.

Sir,

In continuation of this office letter No. L.B. 35/22-23 dated 6-10-1925 stating that a further report would be submitted in regard to the ownership of the land on which the Combined - Dispensary at Tarikere is proposed to be constructed, I have the honour to submit herewith a copy of letter No. 433 dated 4-11-1925 received from the President of the Tarikere Municipal Council in the matter for the information of Government.

A copy of the map of the land in question said to have been prepared by the D.P.W. at the time of constructing the Taluk Office building has been called for from the Executive Engineer and the same will be submitted to Government immediately on its receipt in this office.

N.R.

Letter No. 433 dated 4-11-1925 from the President, Munic Council, Tarikere to the President. Kadur District Board.

******

With reference to your memo No. L.B., 35 of 22-23 dated 6th October 1925 forwarding copy of letter dated 5th October 1925 addressed to the Secretary, Local and Legislative Departments regarding the site for the construction of a new building for the combined dispensary for men and women at Tarikere, I have t honour to state as follows:-

There are no records available in the Municipal Office to say whether the particular site ( in front of the Sub Division Officer's quarters) is Municipal or Government property.

From a record available in the Taluk Office it is seen that site formed part of Survey No. 16 of Machennahally village 10 ac 35 g which 9ac-35g were acquired for public purposes. Ou of this 3ac-30g was used for the Travellers Bungalow and for the remaining 6ac-5g, a sum of Rs. 490/- was paid by the Munici pality. Subsequently an extent of 4ac was taken up for the - construction of the Taluk Office and the remaining area 2ac-5g should therefore be regarded as Municipal property.

There has been no clear definition of the boundry between Government and Municipal property, but as in any case the land is to be used for Government purpose and the Municipality have resolved to give the land, there appears to be no difficulty.

It was understood that a clear map of the place was - prepared by the P.W.D. at the time of constructing the Taluk Office building and the Executive Engineer was therefore - requested to send a copy of it to help in the disposal of this case. But no reply has been received from him. If further li is wanted in this matter the Executive Engineer may kin be addressed.

As

As however there is no question of acquisition of land and payment of compensation therefor I beg to say that the actual contribution of the building need not be delayed on this account.

Sir,

With reference to your letter No. G. 5767/Med. 46-22- dated the 12th instant in the matter of the ownership of the land on which the new combined dispensary at Tarikere ~~is~~ proposed to be constructed, I have the honour to state that it is stated to be either a Government property or a Municipal one by the President of the Tarikere Municipal Council copy of whose letter No. 433 dated 4th November 1925 ~~is~~ was already forwarded with this office letter No. L.B. 35/22-23 dated 22nd November 1925. In either case the question of acquisition of the land or payment of any compensation therefor does not arise as the Municipal Council are agreeable to give over the required extent of land free of cost.

With regard to the sketch of the land in question the Executive Engineer who has been requested to expedite its transmission has again been addressed in the matter and the same will be forwarded to Government immediately on its receipt.

Sir,

Adverting to correspondence ending with your letter No.G 9644 dated the 26th May 1926, regarding the construction of a combined Dispensary for men and women at Tarikere, I have the honor to inform you that the exact location of the site selected for the construction of the building was communicated on 13th May 1926 and the Executive Engineer has been requested to submit the necessary plan and estimate for the work in consultation with the Senior Surgeon and the Presidents of the Local Bodies.

2. It is too early to expect the project from the Executive Engineer and it will take some time for him to send up the project after attending to all the farmalities. Hence the project cannot be expected before 2 months at least. The matter cannot therefore be treated as one of routine and fortnightly reminders issued. SIR

With reference to correspondence ending with letter No. G.C.377-34 of 21-22 dated the 26/27th February 1927, from the Senior Surgeon with the Government of Mysore to your address and your letter No.12808/Med. dated 31st May 1927, I have the honor to forward herewith for orders of Government detailed plans and an estimate amounting to -- Rs 21,325/- for the construction of the combined Dispensary Building at Tarikere.

2. As desired by the Senior Surgeon in his letter No. G.C. 377-39 of 21-22 dated the 18th April 1927, (copy enclosed) provision for quarters to the Lady Sub-Assistant Surgeon and for two different Store-rooms has been made. The estimate therefore provides for :

| | | | |
|---|---|---|---|
| i. | Construction of a dispensary. | - | Rs 12,711/-. |
| ii. | -do- kitchen. | - | Rs 597/-. |
| iii. | -do quarters for the Lady Sub Asst: Surgeon. | - | Rs 2,900/-. |
| iv. | Construction of a latrine. | - | Rs 263/-. |
| v. | -do- a ward with rooms | | Rs 4,225/-. |
| vi. | C o n t i n g e n c i e s . | - | Rs 629/-. |
| | | | Rs 21,325/-. |

3. There is no provision for the work in the Budget Estimate for the year 1927-28. It is, however, presumed that the State Fund share of cost will be made available out of the grant under "30 Grants for Mis. Public Improvements - 7 Malnad Improvements."

A sum

A sum of Rs 3,500/- has been provided for the work in the Budget Estimate of the Kadur District Board, for the year 1926-27.

4. The site selected for the buildings is behind the Taluk Cutcherry and the site is reported to have been approved by the Dewan during his tour in the Kadur District.

I have the honour to be,

Sir,

Your most obedient servant,

CHIEF ENGINEER OF MYSORE.

Letter No. G.C.377-69/21-22 dated the 18th April 1927, from the Senior Surgeon in Mysore to the Chief Engineer of Mysore, Bangalore.

---

In continuation of my letter No. G.C.377-65/21-22 dated 28th February 1927, I have the honor to forward herewith the plan and estimate for a combined Male and Female Dispensary at Tarikere, received from the Superintending Engineer, Shimoga Circle, Shimoga, with his letter No. 5105 dated 5th April 27, and to state that, although the male and the female dispensaries are proposed to be located in one building, yet each is to be worked independently of the other and to be regarded as a separate institution for financial and statistical purposes. It is therefore necessary to have two different store rooms to keep the stock of each dispensary separate. Provision for quarters to the Lady Sub-Assistant Surgeon is also essential. I request that these wants may kindly be caused to be supplied before transmitting the plan and estimate to Government, although they have been countersigned by me to save further delay.

Sir,

In continuation of my letter No.G.C.377-79, dated 24-9-27, regarding the recovery of the contributions from the Kadur District Board and the Tarikere Municipal Council, towards the cost of the construction of the combined dispensary at **Tarikere**, I have the honor to forward herewith a copy of letter No.L.B.177-(26-27) dated 7-10-27 from the President, Kadur District Board, together with a copy of the Board's Resolution agreeing to pay their quota.

The Board is willing to make the sum of Rs.3,414/- provided in their current year's budget for the construction of dispensary buildings, immediately available, and to provide for the balance in the next year's budget. With the Rs.3,000/- which the Tarikere Municipal Council is also prepared to pay at once, a sum of Rs.6,414/- becomes available to start the work. The Chief Engineer may therefore be kindly instructed to have the work taken up this year by marking a moiety of the Government share available from the funds at his disposal.

I am addressing the Deputy Commissioner and President of the Kadur District Board, to arrange with the Tarikere Municipal Council and the Kadur District Board to have the amounts now available viz., Rs.3,000/- and Rs.3,415/-, respectively, placed at the disposal of the Executive Engineer, Kadur Division, and to submit to Government direct (to save time) the fact of his having done so.
